

Civic Doody

Greetings! This is a Civic Doody bucket.

Please feel free to deposit your **bagged** dog business in this bucket. It will still go to a landfill, but at least you don't have to carry it around on your walk!

Your neighbors Mike and Dave will maintain the buckets roughly weekly.

If you want to adopt this bucket, host a bucket of your own, or are grossed out and want us to take this bucket away please email info@civicdoody.net
